Subject - Re construction of a Bus Stand at Saklespur

Adverting to G O No T 3128-49/R T 66-40-2 dated 7-5-1941 providing a sum of Rs. 30,000/- for the purpose of constructing shelters for Bus passengers in all the important places in the State and directing that the cost of construction of the shelters in the Kadur, Hassan and Shimoga Districts be met from the Town Improvement Fund which has been increased by a special grant of Rs. 200000/-, I have the honor to state that a sum of Rs 4,200/- sanctioned on the above order was drawn and placed at the disposal of the Executive Engineer, Hassan Division, Hassan for the construction of a Bus stand at Saklespur

The Executive Engineer, Hassan, has forwarded an estimate for Rs 6,000 together with a plan for the construction of a Bus stand with his letter No A 332 dated 28-11-41 (copy enclosed) and has stated that Saklespur being a very important centre of motor transport and a centre of exchange trade between Mysore and West Coast at Mangalore, a First Class Bus Stand is necessary and the cost of this item alone will be Rs 4,200/- and the other adjuncts viz , formation of approach roads, constructing tunnel, Lavatories, Electric lights and water supply connections which are all necessary to afford all the amenities to the travelling public require an additional amount of Rs 1800/-

In the above circumstances, I request that sanction of Goverrment may kindly be obtained to the estimate and for an additional grant of Rs1800/- towards this item of work the connected records accompany ---

District Magistrate,

Hassan District

as

Report to accompany the estimate for constructing a Bus Stand at Sakalespur

---

Sakalespur is the chief interior malnad traffic centre in Hassan District, with Mangalore There are numerous lorries and a number of bus services plying to and from Sakalespur to Mangalore, Mudigere, Belur, Hassan, Arkalgud, Uchangi etc. The want of a bus stand is very keenly felt

The site selected is an area measuring 120' x 160' and is in a prominent place adjoining Bangalore-Mangalore road in between the extension and the old town, a central and convenient locality, and is Government property There is also a good restaurant close to it and the construction of an exclusive restaurant in the bus stand for the travelling public is not deemed necessary at present Therefore, it is proposed to construct a bus pavilion only with lavatories The site is side long ground and requires to be levelled which is estimated to Rs 298/-

Provision is also made for water connections and electric lights Approach roads with tunnels for the check drains of Bangalore-Mangalore road are also provided and are modelled after the lay-out in type design All the provisions are necessary and will provide all the amenites of a modern bus stand The rates are in accordance with the approved schedule rates

The estimate amounts to Rs 6,000/- and may kindly be sanctioned early

C.C.-R Venkatramiah 9/11/41
Executive Engineer,
Hassan Division
